

The current process of filling out the order forms/payment and putting them in the MOOLA box at school will still continue. HOWEVER....we are now offering you another option....to purchase and pay ONLINE through PrestoPay.

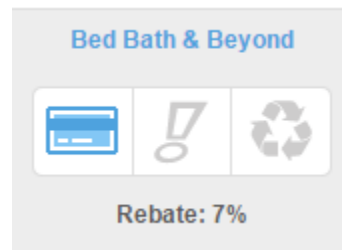

What is PrestoPay?

- Allows you to Order and Pay online. No longer need to drop off an order/check in the Silver Moola box.
- Get eCards immediately through email OR to your cell phone or mobile device via a mobile website (MyScripWallet.com). With this option, you can purchase and use your eCard even while at the retailer.
- Can reload your existing card purchased through Scrips by using the RELOAD or RELOADNOW options.
- Each PrestoPay order will be charged a \$0.15 processing fee.
- A \$30 non-sufficient funds (NSF) fee will be charged to your account for each overdraft. If two NSF fees are incurred, your userid will be revoked, so please be sure to keep an accurate bank account on file with ShopwithScrip.

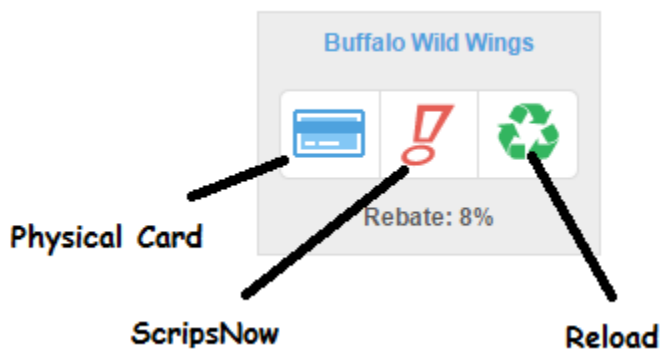

If you think you will be using this option, this is how to get started:

- Logon: <https://www.shopwithscrip.com/>
- Register as a user linked to The Houston Band Boosters group (email me for the group code. My email address is kkmalone2008@yahoo.com)
- Select option for PrestoPay
- Register your bank account (Do not send me your bank account information.....this is between you and ShopwithScrip)
- Scrips will make two small deposits to your bank account and provide you instructions on the next steps.
- Once Scrips has confirmed that they have the correct bank account on file, they will email you an approval code. Send this code to me, and if your child is in good standings (no outstanding fees), I will confirm your request to use the PrestoPay option. You can now begin placing orders online.
- When you log in, select the option to SHOP and then select Your Personal Scrip Order. These are all the retailers that you can purchase cards from. NOTE: Please be aware that not all retailers have the option to purchase the eCards (ScripsNow card). If it is not available, then the options will be GRAYED out. See example for Bed Bath & Beyond. For these retailers, you can only purchase the physical cards. But the benefit of PrestoPay is that

you can place your Order online and Pay online. Then the next time I place a group order, I will release your order, and your cards will come in within 2-3 business days.

Below is an example of the different options you can select in purchasing your cards using the PrestoPay option. I used the Buffalo Wild Wings card for this example where there are 3 options available:

1. If you choose the physical card, you will receive the card the next time I place a group order (just like what we've done in the past). The only difference is that you can now Order and Pay online through PrestoPay. NOTE: you can still select the option to pay with a physical check. I will need to have your check in hand before I can release your order.
2. If you choose the ScripNow option and pay with PrestoPay, you will get an email with the certificate for you to redeem your eCard immediately. No orders or physical checks to be dropped off...no meeting me to get your cards. Everything is done electronically. If you have a mobile device, you can log into MyScripWallet by using your current Scrips logon id and password and order and pay for your cards, wherever you are, and be able to use it immediately.
3. If you choose the Reload option and pay with PrestoPay, money will be added to an existing physical card previously purchased through Scrips.

You must provide them the card number for them to be able to add funds to it. The funds will be processed and loaded to your card the next morning. NOTE: some retailers have the ReloadNow option where the funds are added immediately after you pay with PrestoPay.

There are FAQ pages on ShopwithScrip that should answer all your questions. Please view these pages:

- <https://www.shopwithscrip.com/Support/faq/prestopay>

How will your child get credit for the rebate earned?:

A weekly report will be pulled, by family, of the cards purchased and the Rebate earned. I will prepare a summary report for Kelly Richert to apply the rebate earned to your child's student account.

For those of you who prefer the existing method, I will continue to check the Moola box each week and place an order when I have enough to place an order.

1. Complete the enclosed order form
2. Prepare a check to HHS Band Boosters for the amount of the cards ordered
3. Put order and check in a sealed envelope marked Mustang Moola
4. Put sealed envelope in the Silver Mustang Moola box OUTSIDE Mr. Taylor's office (NOT THE BROWN BOX).
